Interest Inventory

WebQuest

1. Log onto the web and go to www.mtcis.intocareers.org to log into the Montana Career Information System. Choose General Use Tab.   If you don't have a MCIS account, you will need to create a new profile.

2. Once you are logged into to MCIS you will create your portfolio. This will allow you to save everything that you do and research while in MCIS.

3. O'Net Interest Profiler, once you have finished, choose…GET RESULTS and print for future use.

4. Once you are on the GET RESULTS page you will see six career interest groups. Enter your scores from the O'Net Interest Inventory below.

Conventional	Realistic	Social	Artistic	Investigative	Enterprising

5. What were your top 3 areas of interest?

6. You can click on any of the six interest groups and the program will list careers that are related to each interest group. Looking at your top 3 areas of interest, what are some careers associated with each area that look intriguing to you?

Career Interest Group (Conventional, Social…)	List of Careers that interest You (teacher, police…)

7. What part of the information did you think was accurate?

8. Was there a part of the information that you think was inaccurate?

9. Were you surprised by the information? Why or why not?

10. Were the careers/categories ones you had thought about before the activity?
