MCIS: Revising Goals and Making Plans

Introduction: This activity will help you revise the personal, academic and career goals you established in the **Getting Started** and **Looking Deeper** levels of **My Career Plan**. You will also have an opportunity to draft an improvement or enrichment plan for any area where you need strengthening. You might just feel a sense of reward for the progress you are making towards your goals! Complete the activities below in the order presented. Follow the instructions in the worksheets and use the CIS components described in the instructions to complete each activity.
