

Name _____

Date _____

Wage and Time Calculator

WebQuest

Directions: Follow the steps below.

1. Log onto the web
2. Go to www.calculatorsoup.com
3. Click on the folder labeled "Time"
4. Select the "Hours Calculator" Link
5. Use the calculator to check your time calculations
 - Enter the time without any punctuation
 - Enter 3:15 as 315
6. Select the "Gross Pay" Link
7. Use the calculator to check your earnings calculations
 - Enter the hours in decimal form, rounded to the nearest **tenth** (.1) of an hour
 - Enter 2 hours, 25 minutes as 2.3 (2.25 would round to 2.3)
8. Compare your final answers to the calculated answers
9. Remember that your answers maybe a little different than the programs because of the rounding differences
10. Have your specialist initial here _____ when you have completed the activity
