

**Debrief:**

- How did you feel about asking others questions for help?
- Did it get easier as time went along?
- Did you find yourself asking classmates of the same gender? Did it matter?
- Are there other ways to talk about people without using labels?

**Variations:**

- This activity can also be done in groups in which one person draws a card and the others ask questions until someone guesses the term.
- You could also substitute these words for curriculum vocabulary that is used for the Words in the Workplace Event.
