

The lesson plan Communicate Verbally: [D24-L1](#) continues to ready the students for their participation during the LEAD Conference. This plan focuses on the components of verbal communication and helps student's self-identify areas for improvement regarding their own verbal communication. This lesson plan takes approximately 2 days.

[D24-L2](#) continues to address verbal/non-verbal communication at an intermediate level. There are many hands-on activities including the designing and explanation of personalized license plates and the many purposes of messages via body language, the use of slang and the consideration of the human voice. This lesson plan takes approximately 3 days.

Continuing on with the F Competency: Personal Skills/Healthy Lifestyles, the lesson plan [F33-L1](#) addresses the development of decisions based on values and goals. Begin teaching students to understand what it takes to achieve the goals they desire-"Goals are dreams with deadlines." Students attending the LEAD Conference may certainly be asked about their goals. Help them practice their unique explanations. This lesson plan takes approximately 3 days.
