CHAPTER PROJECT

Mobilize

Objective

Jobs for Montana's Graduates (JMG) and Jobs for America's Graduates (JAG) are leading a movement—mobilizing the classroom. This movement, the JAG Advantage, will help invigorate and electrify your MCA chapter and community.

The challenging problem we want you to solve is **“How does our JMG class develop a chapter hand clap or cheer to energize, motivate, and celebrate it's MCA members ?”**

DIRECTIONS

- The members of the MCA will work together to develop a hand clap or cheer.
- The hand clap or cheer should incorporate all members of the MCA and can include singing, dancing, stomping, you name it!
- Your MCA will want to practice the hand clap or cheer prior to attending the LEAD Montana Conference.
- Each chapter will perform their hand clap or cheer at the LEAD Montana Conference on Tuesday, October 30th in Helena.
