TEACHER COMMITMENT

Because this student is committed to participating in our program, I will:

1. Provide assistance in overcoming barriers the student may be facing;
2. Assign projects and activities that will help the student achieve the JMG Middle School competencies;
3. Advise the student led JMG Reach Council as it strives to teach, motivate, and recognize students with outstanding leadership skills and positive attitudes;
4. Provide assistance in keeping the student in school and obtaining a high school diploma.
5. Maintain regular contact with the student during the following school year.
