

# Printing Cops, Caps, Copes Assessments

Yes, you will have access to the assessments once a student completes. You can view these full reports and print them from there. In order to do this, from your EdITS dashboard/homepage, follow these few steps.

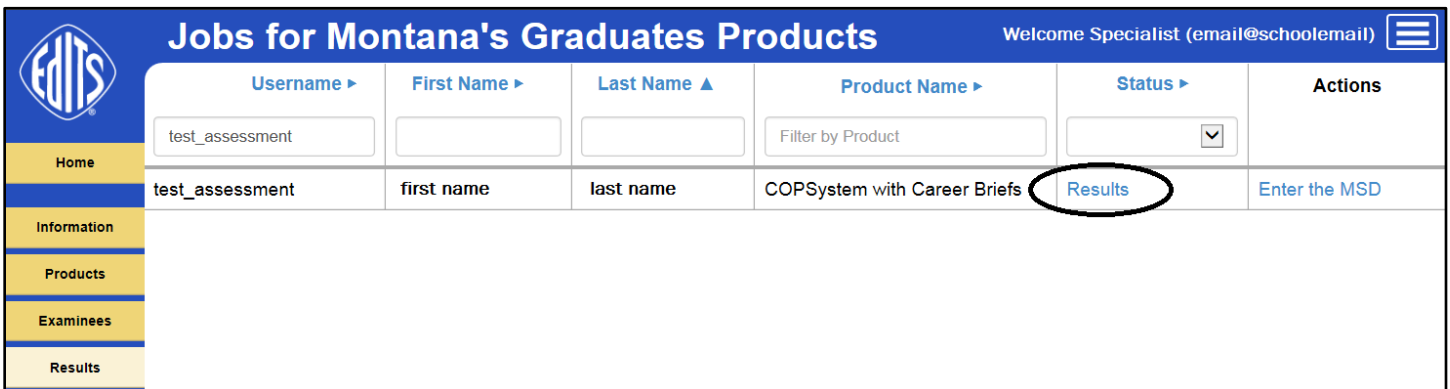

- 1) Select the **Results** tab on the left hand side of the screen. You will then see a list of the students who have taken the test.
- 2) Select the **Results** link after student name in the "Status" column (screenshot two) to view the report.
- 3) Select the **Printer Friendly** link on the top of the report to print individual student reports.

**Interests (COPS)**

Your interest profile is plotted below. A percentile number is printed inside the bars. Each number shows your approximate position on each scale as compared to other people at your educational level who have taken the COPS. If your score is near 50, about half (50%) of others fall below you. The higher your score the greater your interest is compared to others. [Read More >>](#)
